Introduction

The St Thomas Catholic Academies Trust recognises that the primary purpose of schools' premises is to provide accommodation for the teaching, learning and welfare of its students. The requirements of the school will therefore always take precedence over external hiring's. However, when not required by the school, the Trust is willing to hire out school premises as the buildings:

- provides a valuable resource to the local community
- are a potential source of income

The Trust recognises that the hiring out of school premises will always be an incidental part of the Trust/School aims.

Policy Aims:

1. To facilitate the use of school buildings across the Academy Trust in support of community activity.
2. To ensure lettings are fully compliant with all Diocesan expectations.
3. To ensure lettings meet all legal, health and safety, and financial regulations.

- 3.1 All lettings will be subject to the terms set out by the Academy Trust in order to meet legal, financial and health and safety requirements (Appendix 3)
- 3.2 The Hirer shall fully and effectively indemnify the Trust against all proceedings, costs claims, demands, expenses and actions which may arise by any means directly or indirectly from the use of the school property or facilities by the hirer other than through the negligence of the Trust or school staff.

Appendix 1: Northampton Roman Catholic Diocesan Trust

Occupation of School Premises

Introduction

Generally speaking, the property occupied by Catholic Schools in the Diocese of Northampton is owned by the Diocese. The Northampton Roman Catholic Diocesan Trust (The Trust) has one Trustee, The Northampton Roman Catholic Trustee Ltd, but that Trustee has a number of Directors often referred to as Trustees. In this document the term Trustee(s) refers to the Northampton Roman Catholic Trustee Ltd.

This document sets out the basis upon which the School occupies the Trustees' premises for the purpose of conducting a Catholic school. It replaces any previous document of this type and may be unilaterally amended or replaced by the Trustees at any time.

The primary responsibility of the Governing Body of a Catholic school is to occupy and conduct the school on behalf of its Trustees and under the supervision of the Bishop.¹ Traditionally that encompasses the threefold responsibilities of the Governing Body as occupier of the premises, proprietor of the undertaking and employer of the staff. This document sets out in more detail the parameters of the first of those three responsibilities. It sets out obligations imposed on the Governing Body, including important specific responsibilities relating to health and safety matters.

The Governing Body is to familiarise itself with the contents of this document and comply with the obligations this document imposes on it, obtaining professional advice as necessary.

1. Ownership

Ownership of the School Premises remains vested in the Trustees, and the School Premises are occupied by the Governing Body solely for the purpose of conducting a Catholic school on behalf of the Diocese in accordance with canon law and the Trust Deed.²

2. Delegation of Authority

Management of the occupation and use of the School Premises is delegated for the time being by the Trustees to the Governing Body of the School subject to any direction given by the Trustees or Bishop as to the use of the School Premises outside normal school hours.

The Governing Body is to discharge the duties and responsibilities set out in this document. The Trustees will take reasonable steps to ensure the Governing Body's compliance with the terms of this occupation document and the Governing Body is to afford the Trustees every cooperation to enable the Trustees to do so.

The Governing Body shall not, without obtaining the prior approval, in writing, of the Trustees:

- make any major structural changes or additions or alterations to any buildings which form part of the School Premises;³
- let or give up or transfer possession or control of the School Premises or any part of the School Premises;⁴
- use the School Premises for any purpose other than conducting a Catholic school;

shall no longer form part of the School Premises and shall no longer be occupied by the Governing Body but by the Trustees directly.

All profits received from the lettings of the School Premises shall be payable to the Trustees (without prejudice to the right of the Trustees to donate part or all of those monies to the School). Schools should not permit lettings that are inconsistent or contrary to the teachings of the Catholic Church.

During its occupation, the Governing Body shall ensure that:

- the School Premises are kept in good repair and condition;

¹ *Governance of a Catholic School: A Clarification of Roles and Responsibilities for England & Wales*, CES September 2014.

² The objects of the general trust on which the schools are held are set out in the Trust Deed of the Diocese of Northampton dated 30th April 1949. In one or two schools or pieces of land, slightly different trusts may apply: diocesan advice should be sought on an individual basis if this applies.

³ Major structural changes include the addition or removal of buildings from the premises, and any change in the footprint or envelope of any building. It also includes substantial alterations within the envelope of existing buildings which would permanently change the educational provision (e.g. converting a hall into classrooms or vice-versa or converting the hospitality suite to a staff room or vice versa) but not smaller changes within the envelope (e.g. reconfiguring toilets). If in doubt, advice should be sought from the Trustees.

⁴ Letting or giving up possession of any part of the school premises only refers to the granting of a lease or licence which gives permanent and exclusive occupation of part of the premises to a third party. It **does not** refer to occasional or regular use of the premises by third parties on a non-permanent and non-exclusive basis (e.g. allowing a parish group to use the school hall on a weekday evening).

- it engages a suitably qualified building professional, approved by the Trustees, to be responsible for advising the Governing Body in relation to their responsibilities for the School Premises;⁵
- adequate insurance cover is maintained for the School Premises in the joint names of the Governing Body and the Trustees, which can either be:
 - insurance through the Catholic Insurance Service Limited insurance scheme arranged through the diocese;
 - an insurance policy approved by the Trustees adequate to provide for full rebuilding costs of the buildings should they be totally destroyed; or
- with the approval in writing of the Trustees, participation in the Risk Protection Arrangement established by the Department for Education.

A properly authorised officer of the Bishop or of the Trustees shall have a right of access to the School Premises at any time.

3. Specific Responsibilities relating to Health and Safety

The Trustees consider the Governing Body, whose undertaking is the day to day conduct of the School, to be the duty holder for the purposes of any relevant health and safety legislation.

If any health and safety duties do rest or remain with the Trustees, the Trustees hereby nominate and appoint the Governing Body to take all steps necessary to discharge that duty, and the Governing Body shall do so on the Trustees behalf. Appendix 1 sets out details of Health and safety and statutory compliance requirements

Where the school is a maintained school the Governing Body is to comply with the requirements set out in the Education & Skills Funding Agency document, 'Terms and Conditions of grant funding for dioceses and non-diocesan voluntary aided schools groups in receipt of school condition allocations in financial year 2023-24' which also sets out the responsibilities of Governing Bodies in relation to health and safety⁶.

The Governing Body is to ensure it has appointed a competent person to assist it in undertaking the measures it needs to take to comply with the requirements and prohibitions imposed by the relevant statutory provisions.⁷

The Governing Body shall ensure it has policies and procedures that promote compliance with all relevant health and safety obligations and ensure that the buildings support the provision of a safe environment for children, staff⁸, visitors and all other persons that use the School Premises. The Governing Body is to appoint a competent person to assist it in discharging its duties⁹.

The Governing Body is to take proper account of any Approved Code of Practice (ACOP) and other guidance, including guidance issued by HM Government, setting out how duty holders are expected to discharge their duties in practice.

The Governing Body is to discharge all of its duties as duty holder under any relevant health and safety provisions in their entirety.

These duties which the Trustees consider fall on the Governing Body include, but are not limited to, duties arising under section 4(1) of the Health and Safety at Work Act 1974 ("HSWA 1974"); the Control of Asbestos Regulations 2012 ("CAR 2012"); the Construction Design and Management Regulations 2015 and the Regulatory Reform (Fire Safety) Order 2005 ("FSO 2015").

Unless the Trustees have separately notified the Governing Body, they confirm they have taken all reasonable steps pursuant to section 4 HSWA 1974 to ensure the School Premises, access and plant are safe and without risks to health so far as reasonably practicable. The Governing Body should nevertheless consider undertaking its own survey of the land and buildings, as appropriate, taking professional advice where necessary.

For the purposes of the FSO 2015, the Trustees expressly nominate the Governing Body as the 'responsible person' for the purposes of discharging the relevant duties under the FSO 2015.

The Trustees consider the Governing Body to be duty holder and where applicable the main duty holder, for the purposes of regulation 4(1) of CAR 2012 and the Approved Code of Practice, 'Managing and Working with Asbestos' ('ACOP'), and

to bear the responsibilities of the duty holder and main duty holder¹⁰. The Governing Body is to note that the Trustees do not consider themselves to be the duty holder or main duty holder, and do not intend discharging any associated functions. The Trustees will co-operate with the Governing Body to the extent necessary for it to carry out its duties. Appendix 2 sets out in more detail of the responsibilities

Insofar as the Trustees are considered to be a duty holder under CAR 2012 and ACOP, they hereby nominate the Governing Body to carry out the steps necessary to discharge that duty on the Trustees' behalf pursuant to para 103 ACOP CAR 2012, and the Governing Body shall do so on the Trustees' behalf. The Governing Body is to ensure it has the competence to carry out its function as duty holder. The Trustees will co-operate with the main duty holder to the extent necessary for it to carry out its duties.

Unless provided with a site plan delineating the extent of the site, the premises include the entirety of the site owned by the diocese in the occupation of the governing body, including all appurtenances thereon which, for the avoidance of doubt, include all trees and boundary fences.

"Diocese" means the Northampton Roman Catholic Diocesan Trust, a charity registered with the Charity Commission with number 234091

In ex-grant maintained schools, the same categories of land will be owned by the governing body. In a few cases (e.g. ex-religious order schools) some land may still belong to a religious order which formerly exercised the trusteeship of the school. In these cases, the diocese will be able to advise on the particular arrangements on an individual basis.

Appendix 2: Catholic Diocese of Northampton school lettings permission form

Schools occupy school property on the basis of an Occupancy Agreement. One element of the agreement is that generally speaking the Diocese owns the property and therefore Trustees of the Diocese reserve the right to approve whether or not school property can be let out for non-school activities and indeed how the profits made from the lease of the buildings or land are allocated. Trustees are keen to allow schools to make the most of their facilities and help provide local communities with access to sport, education and leisure opportunities on school sites. However, this is on the understanding that they agree the use which is not incompatible with the teachings of the Church and agreements are in place to ensure legal compliance on safeguarding, insurance and health and safety. This will be reviewed annually.

Trustees will generally approve lettings on these terms and agree that income generated through the use of the buildings and land are used by the individual school for any of the following standard letting activity:

Wrap around care services	External catering
Use of facilities for sport, drama business meetings and events that are not incompatible with the teachings of the Church outside of normal school hours	Coaching for support, music or the Arts provided in sessions during lunchtime or at the start or end of a school day, in holidays or at weekends on the school site
Private/ Council Nurseries in consultation with the Director of School Development should any changes be made in existing arrangements	Facilities used for competitions and tournaments with parking
Use by local parish/ community groups for the service of the community e.g. food or clothes banks, hot food provision, fund raising events compatible with the teachings of the Church	Private Parties: for example children's birthdays, Christenings, church gatherings

(Please delete as appropriate)

- I confirm that all lettings are within the standard letting activity above and request that profits made be used as income for the school.
- I confirm that the only lettings outside of the standard letting activity above are:

and request that profits made through this use be used as income for the school.

The Trust have delegated to the Headteacher or his/her representative the responsibility of accepting or rejecting any applications made and to apply the Lettings Policy to all applications.

APPENDIX 4 – Guidance for Schools in the application of this policy

Considerations before any Lettings at any school:

1. Check articles of association and funding agreement for school specific restrictions
2. The headteacher is ultimately responsible for any school lettings, but they will delegate responsibility to the Lettings Coordinator. This person will need to oversee arrangements for:
 - Opening and closing the school buildings, and access for external providers
 - Making sure the agreed conditions of hire are followed (including emergency evacuation procedures)
 - Transferring pupils between school supervision and clubs run by external providers
3. Before you decide to hire out your premises to a person or group, consider the following:
 - Our ethos and values
 - Make sure that any group or person you're letting your premises to is appropriate and holds the appropriate documentation
 - **Political groups may not hire premises**
 - **Religious groups outside of the Catholic faith may not hire premises for the purpose of promotion of their faith.**
4. Check that your hirer has appropriate:
 - Public Liability Insurance for Companies hiring the premises or signing an Insurance Loss, Theft or Damage Agreement
 - Appropriate Licensing
 - Health and safety training and procedures (including risk assessments)
 - Safeguarding checks, policies, and training
 - First Aid trained staff and own First Aid Kit
 - Adult-to-child ratios
 - Registration (for instance, external providers looked after children under age 5 need to be registered with Ofsted)

Basis for Charges

In arriving at rates for lettings, the Board of Directors has agreed the following principles:

- That the School should not, except in exceptional circumstances, subsidise the letting of its premises to third parties. *Examples of exceptional circumstances include: a toddler group to help promote the school; similarly pre-natal; groups from the Parish etc.*
- When determining the hire charges, the school should consider heating, energy, cleaning, wear and tear and staffing costs – including the cost of the Letting Coordinator role
- That the overall cost of letting school facilities must be recovered from users
- That VAT at the prevailing rate, if chargeable, will be payable in addition to the hirers charge

Research your potential market well before offering cheaper or subsidised rates to certain groups. Make sure you're going to make a profit from the premises hire, otherwise it's a lot of time and effort spent for little or no reward.

VAT

As a general rule if the letting makes use of a school sports facility e.g. gymnasium, hall or playing fields, then VAT will be chargeable. However, if certain conditions are met then the letting may be exempt from VAT e.g. sole use for more than 24 hours or a series often or more bookings are made and paid for at one time. Lettings of meeting rooms or classrooms are generally VAT exempt

Cancellations

The School will seek to recover any cost incurred by the school which is unavoidable as result of the cancellation of a letting.

Cancellation by the Hirer

- Cancellations must be made in writing 28 days prior to the booked event
- Cancellations received less than 28 days before the event may result in full payment being required

Cancellation by the Trust School

- The School reserves the right to cancel a booking at any time. If this occurs, the School will refund any booking fees paid. The School will not pay any compensation if your booking is cancelled.
- Failure to comply with the terms and conditions of the Letting Policy and Hire Agreement will automatically cancel your booking and any monies paid will not be refunded. Monies already paid will be paid back in the following circumstances:
 - The accommodation, grounds or equipment are required for civil purposes.
 - Force Majeure, accident, or emergency renders the hired premises unavailable.
 - In the event of civil disorder.
- The School reserves the right to vary the terms and conditions herein and to make such additional terms as it may in its absolute discretion deemed necessary. Any question arising as to the interpretation of the terms and conditions shall be interpreted by an appropriate Lettings Manager within the School whose discretion shall be final.

Administration of Hiring Premises

All schools are responsible for the administration of their premises hiring. Bookings for 8 weeks or more will be invoiced at monthly intervals.

All Applications for Premises Hire will be made in writing on the Application form attached below.

No member of staff is allowed to vary the terms and conditions under which the school's premises are hired out or to deviate from the hirer's charges. Any deviation from terms and conditions should be agreed by the Headteacher or their representative. All hiring of Trust's premises, including those for which no charge is made, shall be properly documented and all hirers must sign a Hire Agreement which includes a copy of the conditions of hire. The Hire Agreement is an enforceable contract. Hire Agreements will be reviewed on a yearly basis.

Charging arrangements

A deposit of 50% is required at the time of booking-this will only apply to one-off or ad-hoc bookings e.g. weekend sports, events etc. The deposit is returnable if the letting is cancelled more than four weeks prior to the event less a £25.00 administration charge.

Credit Facilities

The Trust will not permit the extension of credit facilities for lettings. Invoices for lettings must be paid promptly and non-payment of invoices will void the letting agreement for lettings of 8 weeks or more.

Security

A site agent / member of school staff must be present during the Letting. The Trust insists upon site agent/school staff presence to ensure the school is secure, not vulnerable to theft or damage, to ensure Health & Safety measures are maintained and to secure school premises when the lettings are finished.

Maximum capacity

In accordance with the Regulatory Reform (Fire Safety) Order 2005, there will limits on maximum capacity of school buildings (these numbers include helpers and performers) and on no account shall these numbers be exceeded.

Safeguarding and Child Protection

Hirers providing services to children must have policies and procedures in place to ensure children's safety and any Risk Assessments and DBS certificates required by the Hirer must be supplied to the school upon request. At an event where the number of children is likely to exceed 100, the Hirer must ensure that a sufficient number of adults to supervise and control the movement of the children and to take all reasonable precautions for the safety of the children.

Complaints procedure

A complaint about the school from someone letting the school premises should be dealt through the Trust complaints policy on our website ([Policies - St Thomas Catholic Academies Trust \(stcat.co.uk\)](https://www.stcat.co.uk/Policies-St-Thomas-Catholic-Academies-Trust))

Appendix 5 – Schedule of Charges

The letting costs set out below include the following assumptions:

1. A site agent will need to be on site at least half an hour before the letting begins and remain on site at least half an hour after the letting concludes
2. The site agent remains on site throughout the letting

Schools Need to identify their own charges in the table below.

The costs identified in the table below are in addition to a flat rate of £15 to cover the cost of the site agent opening up before the hire and closing after the hire. This will be applied to all letting fees.

For example, the full cost of the Sports Hall hire would be:

- For one hour = £15 + £35 = £50
- For two hours = £30 + £70 = £100
- Please note that (1.5 or double time may be required for a site agent on a weekend) so costs should reflect this

	Monday to Friday Site agent required	Saturday Site Agent required	Sunday Site Agent required
Sports Hall (including changing facilities and toilets)	£35 Per hour	£45 Per hour	£55 per hour
Gym (including changing facilities and toilets)	£35 Per hour	£45 Per hour	£50 per hour
