Gender Pay Gap – St Thomas Catholic Academies Trust

Published March, 2025

We are an equal opportunities employer and pay staff on merit rather than gender. Each role within the Academy Trust has been evaluated by an independent HR Provider using a nationally recognised scheme and members of staff regardless of their gender are paid in accordance with that evaluation.

Teaching staff including members of the senior leadership teams are paid in line with nationally agreed terms and conditions. Members of staff in the same roles are paid on the same scale regardless of their gender.
